a. Please list where you anticipate getting your supply:

Certification

I, the undersigned authorized representative of the applicant, certify that to the best of my knowledge the information in the application is true and correct, and, if funded, the applicant will install pumps with nickel plated components and any required additions to handle high blends of ethanol in the manner described in this application and sell Unleaded88 (15 percent ethanol blend) for a minimum of 24 months at the retail location listed above. I also certify that the applicant shall maintain accounting records in accordance with generally accepted governmental accounting principles and that the funds awarded will be included in those audits or financial statements that cover all or part of the project duration period noted above. I further certify that the applicant represents a gasoline retail station within the state of North Dakota and is in compliance with all local, state and federal laws and regulations for constructing and operating motor fuel storage and dispensing equipment. I also further certify that the applicant is in good financial standing and has no delinquencies on existing North Dakota State Government grants or loans.

Signature	Name (Please Print)
Title	Date

Submit both an electronic and hard copy of the completed application to:
